

Hyderabad & Telangana

Telangana, the 29th state of India, was formed on 2nd June 2014, with Hyderabad as its capital. Covering 114,840 sq km and housing 3,52,86,757 people, it is the twelfth largest and most populous state. Known for its distinctive culture, unique cuisine, and rich history, Telangana is a Telugu-speaking state in southern India, traversed by the Godavari and Krishna rivers.

As a tourist destination, it offers attractions like Charminar, Birla Mandir, and Warangal Fort. The economy is driven by agriculture, with rice as the major crop, and a thriving IT and startup sector with 68 special economic zones. Telangana's foundation is built on liberty, social justice, and development.

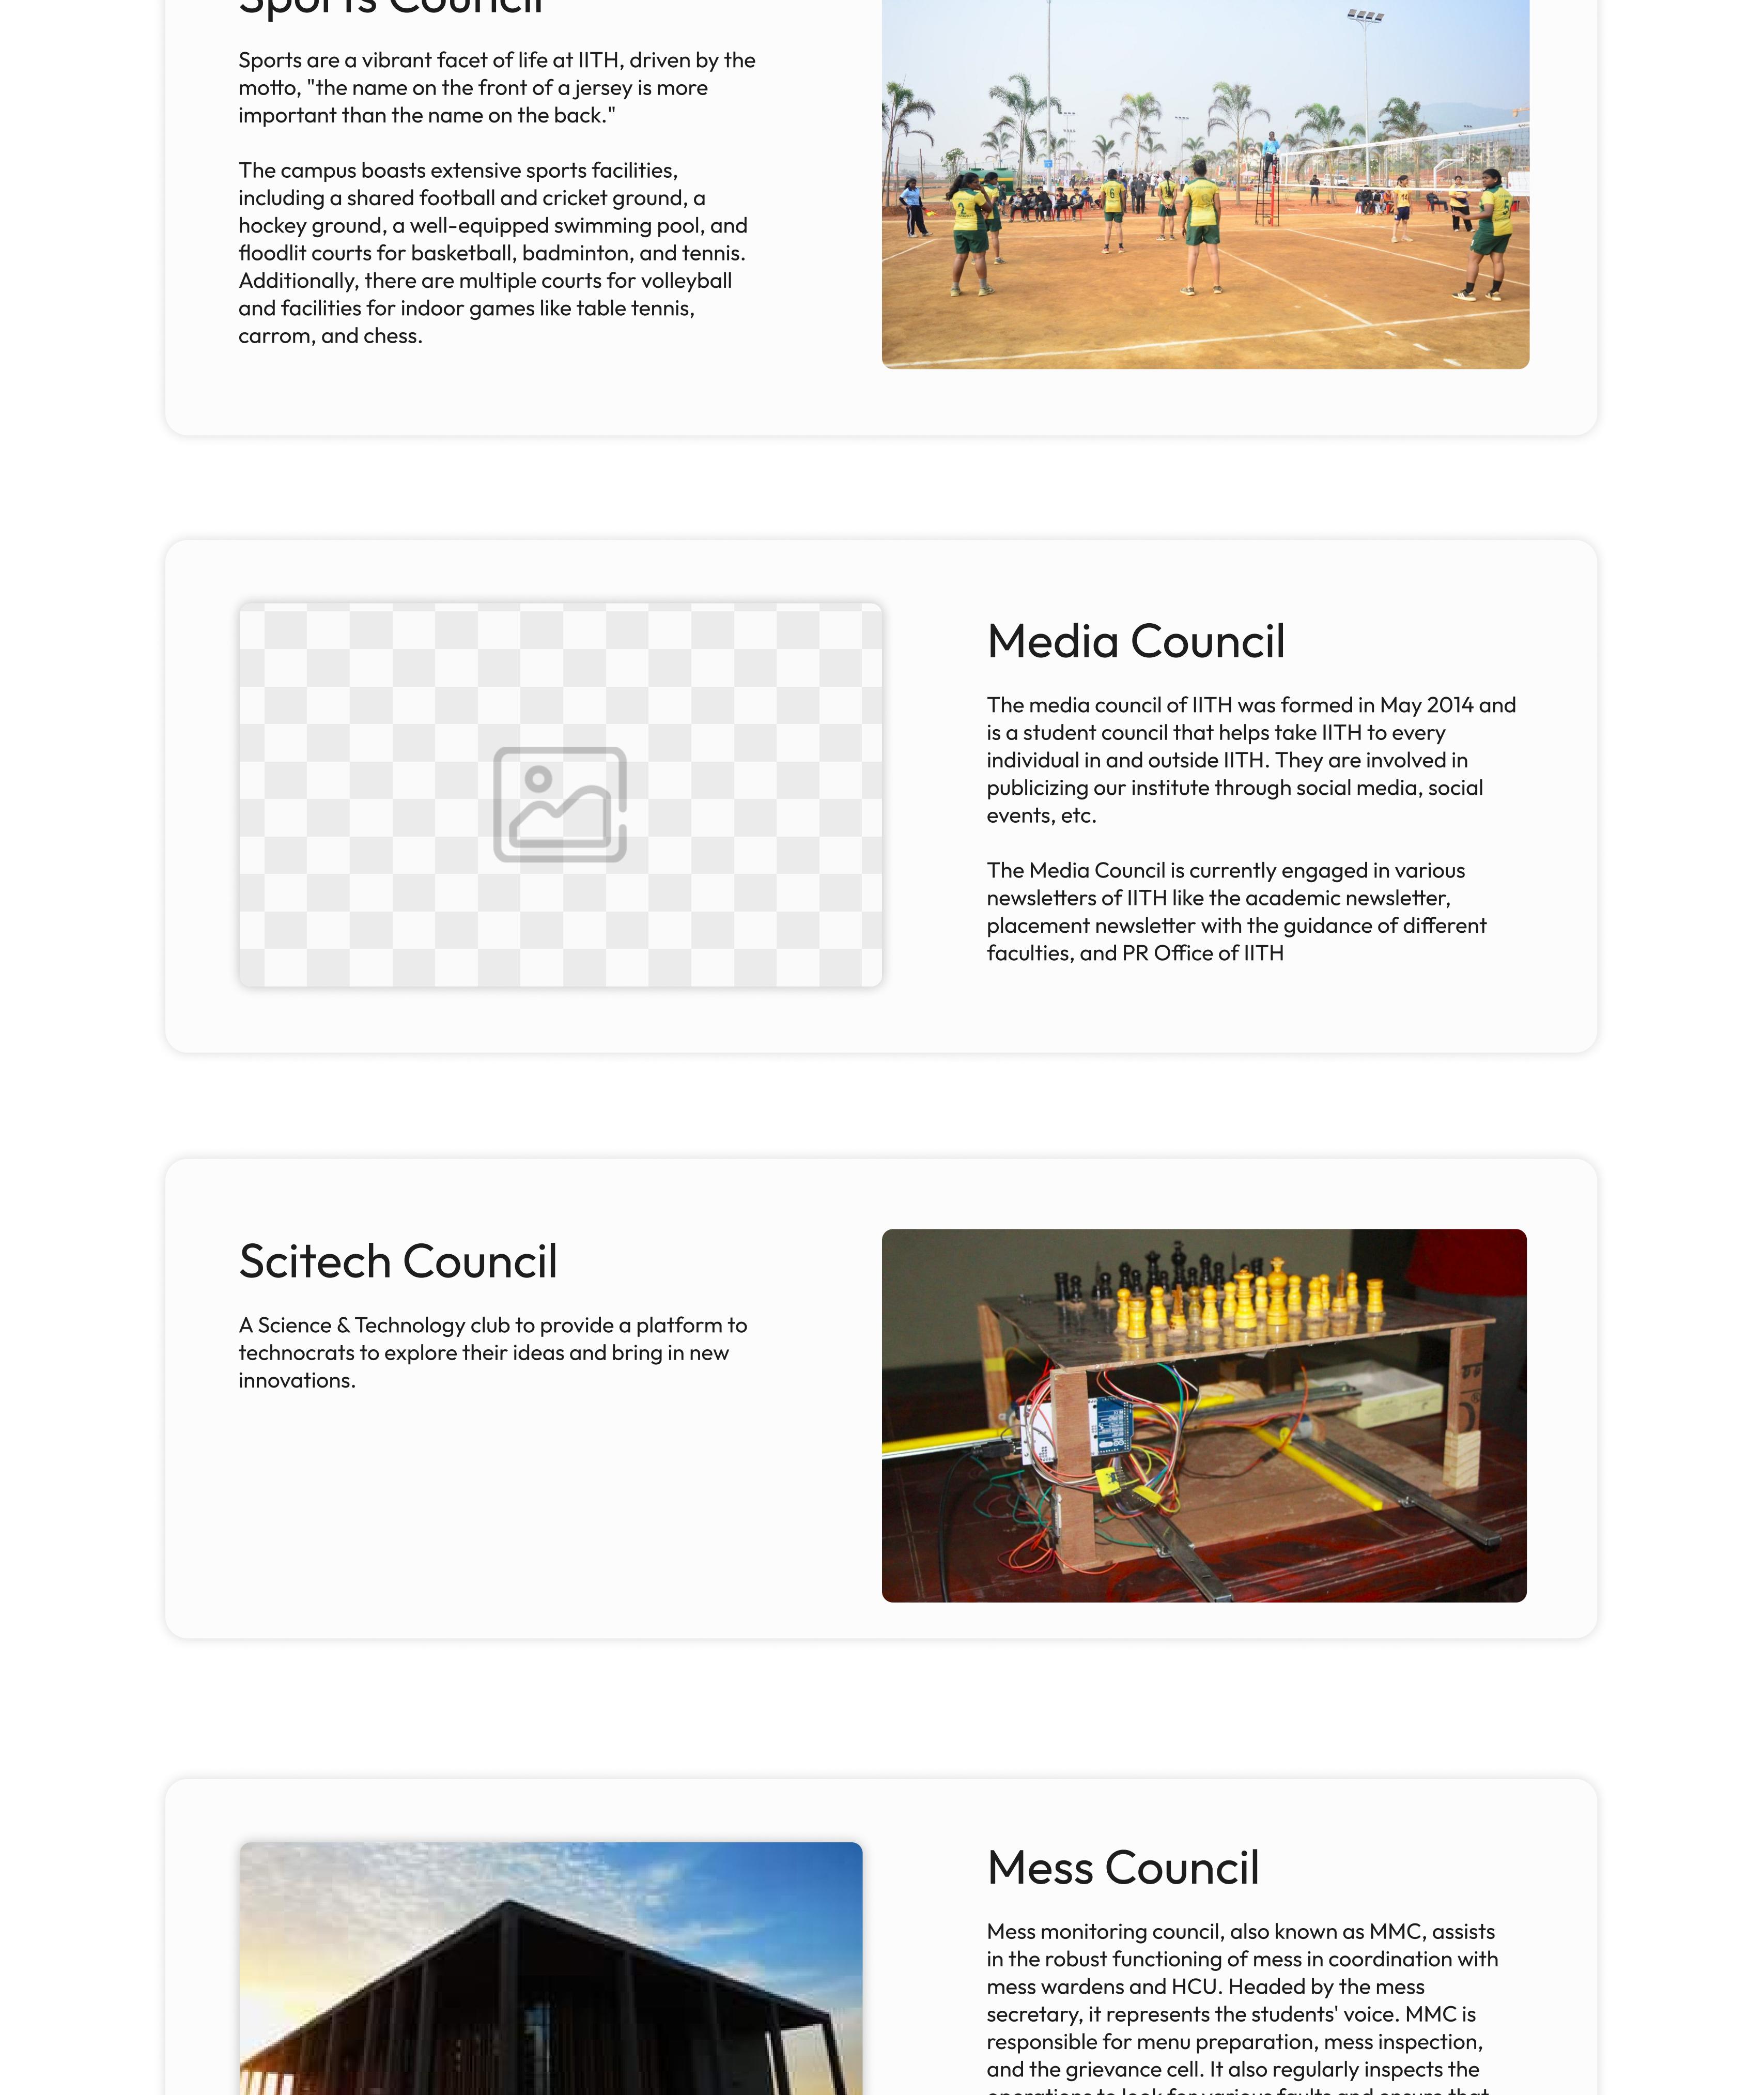

IIT Hyderabad

The Indian Institute of Technology, Hyderabad (IITH), a second-generation IIT, was established in 2008 in Kandi Village, Sangareddy district, Telangana. Ranked among the top 10 engineering institutions in India by NIRF, IITH is one of the country's premier science and technology schools.

Spread across 576 acres (234 ha), the campus was designed by architects Prof. Christopher Charles Benninger of Pune and ARCORP of New Delhi, reflecting its special relationship with Japan. IITH offers modern, interdisciplinary courses ranging from engineering and science to design and liberal arts.

With a strong emphasis on research and innovation, IITH hosts vibrant research culture, innovation centers, and incubators to promote entrepreneurship.

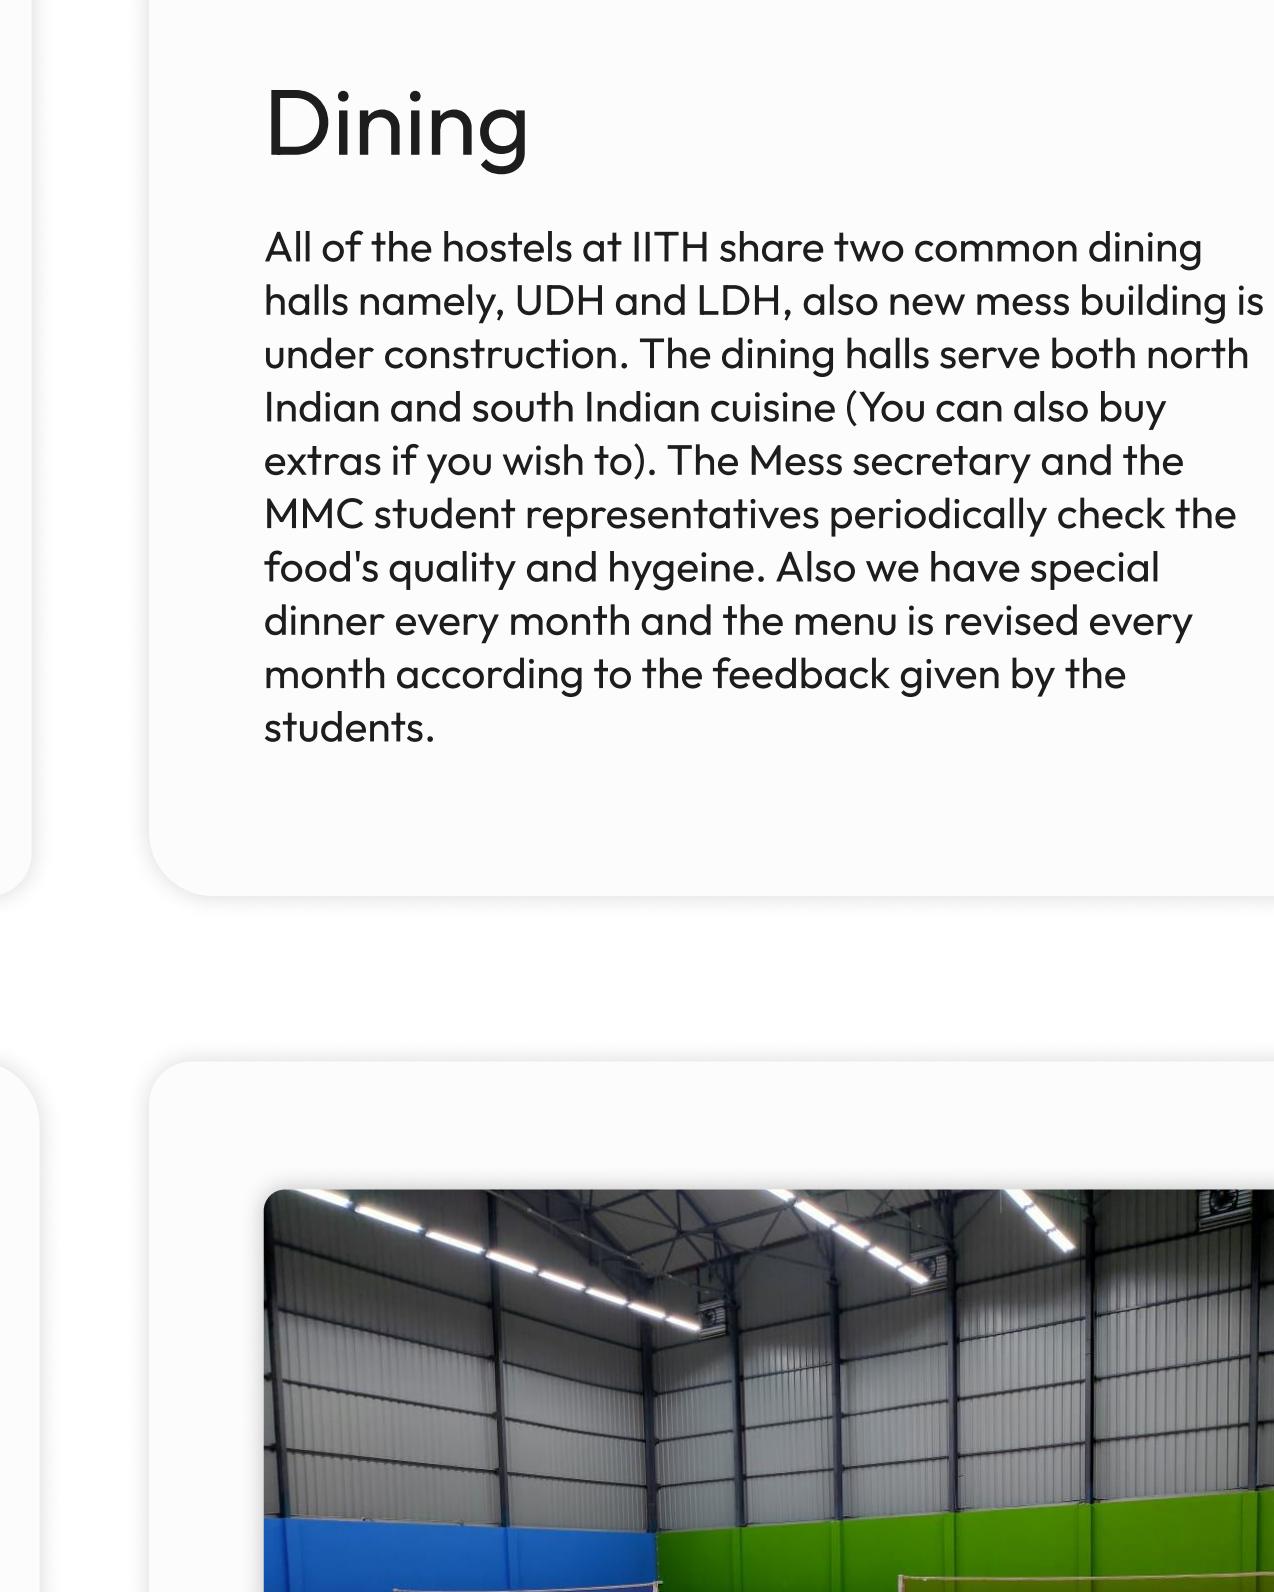

Academic Life

Library

The IITH Library plays a vital role in supporting the mission of the IITH by helping students, faculty, and staff gain the skills and knowledge they need to access and create information effectively. To achieve this, the library offers a range of resources and services, including research support and the creation of new knowledge.

As part of this commitment, we have launched the PRAGYAAN (PRAUDYOGIKI GYAAN NIDHI) one million books project to develop a library collection in STEM (Science, technology, engineering, and mathematics) and Humanities subjects.

Scitech Council

A Science & Technology club to provide a platform to technocrats to explore their ideas and bring in new innovations.

Cultural Council

They are a group of motivated individuals who believe a college should balance fun and academics. Our aim is to capture the vibrant persona of the students by providing a platform for them to showcase their talents as musicians, dancers, actors, painters, writers, photographers, and dreamers.

The cultural team keeps the campus lively by organizing numerous cultural activities throughout the year, including festival celebrations and frequent open-air jamming sessions, ensuring each event is memorable. The Cultural Council includes clubs like InFocus, Behind the Lens, Vibes, Rang de Manch, Gesture Shuffle, and LitSoc.

Festivals and Celebrations at IITH

Every March, IIT Hyderabad holds Elan & nVision, a techno-cultural festival where students can participate and take part in a range of events. Milan, The General Championship, mostly held around September, is a competition where every hostel pits itself against the others in a range of sporting, technological, and cultural events in an effort to come out on top.

All the festivals are celebrated with equal enthusiasm to portray the huge cultural diversity of India yet marking the unity among the students. In addition to this, international festivals and important days are also celebrated with equal enthusiasm along with our international students respecting all cultures worldwide.

Sports Council

Sports are a vibrant facet of life at IITH, driven by the motto, "the name on the front of a jersey is more important than the name on the back."

The campus boasts extensive sports facilities, including a shared football and cricket ground, a hockey ground, a well-equipped swimming pool, and floodlit courts for basketball, badminton, and tennis. Additionally, there are multiple courts for volleyball and facilities for indoor games like table tennis, carrom, and chess.

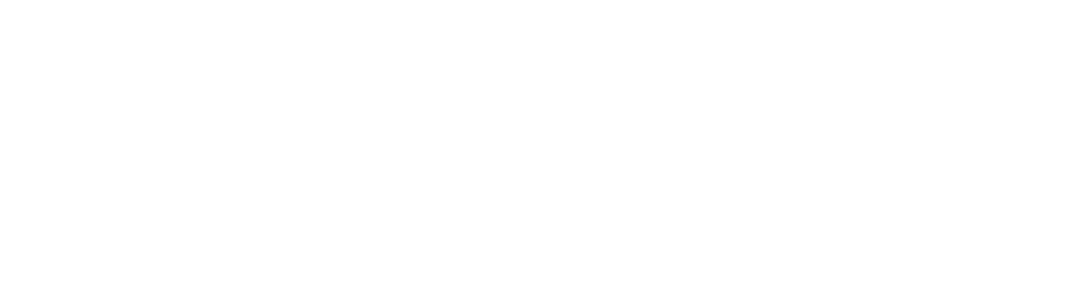

Media Council

The media council of IITH was formed in May 2014 and is a student council that helps take IITH to every individual in and outside IITH. They are involved in publicizing our institute through social media, social events, etc.

The Media Council is currently engaged in various newsletters of IITH like the academic newsletter, placement newsletter with the guidance of different faculties, and PR Office of IITH.

Mess Council

Mess monitoring council, also known as MMC, assists in the robust functioning of mess in coordination with mess wardens and HCU. Headed by the mess secretary, it represents the students' voice. MMC is responsible for menu preparation, mess inspection, and the grievance cell. It also regularly inspects the operations to look for various faults and ensure that the food quality is maintained at IITH. It strives to ensure that all the students have enjoyable and healthy meals at their second home.

Hostel Life

Accommodation

Accommodations at IITH are excellently comfortable for students. The hostels are designed with radiant cooling technology to combat the summertime heat. Every student is given a single room equipped with the necessities including a bed, a wardrobe, a study table and a chair. Washing machines are available on each floor to be shared among the floormates.

There are two restrooms and two bathrooms in each pod, to be shared among 8 people. The pods are architected in a society-like manner to get along well with each other and stay in touch, creating a home-like environment away from home.

Dining

All of the hostels at IITH share two common dining halls namely, UDH and LDH, also new mess building is under construction. The dining halls serve both north Indian and south Indian cuisine (You can also buy extras if you wish to). The Mess secretary and the MMC student representatives periodically check the food's quality and hygiene. Also we have special dinner every month and the menu is revised every month according to the feedback given by the students.

Festivals and Celebrations at IITH

Every March, IIT Hyderabad holds Elan & nVision, a techno-cultural festival where students can participate and take part in a range of events. Sports and Recreation

including football, cricket, squash, volleyball, basketball, badminton and many more. The recreational and friendship rooms, which are located between hostel buildings, provide a great place to socialize with people other than one's batchmates while playing games like chess, carrom, and other activities. A new sports complex with more amenities and facilities is under construction and is expected to be ready soon.

Hospital and Medical Care

You can visit the hospital 24X7 in campus for any medical care, where prescriptions are free and medicines are offered at a discount of 80% in the hospital's medical store (You need to carry a medical booklet which you can get from the hostel office). You can also dial +91 831036100 to call for an ambulance.

In case of some serious issues you are referred to the continental hospital, Hyderabad, where the bill amount is adjusted with the medical insurance provided by the institute.

Grocery shopping

Sampoorna, the supermarket of IITH, is located besides the faculty towers where you can get all the basic items, including toiletries, snacks, stationary, fruits and vegetables. Also, there is a general store besides canteen near hostels, which has all the basic items of daily use along with printing facilities.

Canteen and Eatery

Vendikins are available on the ground floors of some hostels and on different floors of Academic Block, with a variety of drinks and snacks. Nescafe and Amul Eatouts are available in the Canteen area, along with a wet canteen, bakery shop, juice center and a tea stall.
